

Extended features functions

```
graph LR; A[I2C Extended Private Functions] --> B[Extended features functions]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'Extended features functions'. The box on the right is gray with a black border and contains the text 'I2C Extended Private Functions' on two lines. A black arrow points from the right side of the gray box to the left side of the white box.
