

GPIOEx Exported Constants

GPIOEx Alternate function
selection

```
graph RL; A[GPIOEx Alternate function selection] --> B[GPIOEx Exported Constants];
```

The diagram consists of two rectangular boxes. The box on the right is shaded gray and contains the text 'GPIOEx Alternate function selection'. The box on the left is white with a black border and contains the text 'GPIOEx Exported Constants'. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or flow from the alternate function selection to the exported constants.
