```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'UART Exported Constants'. The box on the right is gray with a black border and contains the text 'UART Advanced Feature', 'TX Pin Active Level', and 'Inversion' on three separate lines. A black arrow points from the right side of the gray box to the left side of the white box, indicating a relationship or dependency from the advanced feature to the exported constants.
