

UART Exported Constants

```
graph LR; A[UART Exported Constants] --> B[UART polling-based communications time-out value]
```

The diagram consists of two rectangular boxes. The box on the left is white with a black border and contains the text 'UART Exported Constants'. The box on the right is gray with a black border and contains the text 'UART polling-based communications time-out value'. A black arrow points from the right side of the white box to the left side of the gray box, indicating a relationship or dependency between the two.

UART polling-based  
communications time  
-out value
